### In the Wilson-Galt Wedding this Evening

#### PRESIDENT HARD AT WORK TODAY, FINISHING HIS DUTIES TO THE PUBLIC

(Associated Press)

Washington, Dec. 18.—The president's wedding day dawned bleak and dismal with a drizzling rain, giving promise of one of the worst days of a late autumn.

#### WANTS TO FINISH HIS WORK

The president acted as god father to his seven months old granddaughter Ellen McAdoo this morning. He prepared to clear his desk this afternoon, have dinner with the family this evening and leave immediately for Mrs. Galt's home. Mr. Wilson visited Mrs. Galt this morning.

#### WEDDING WILL TAKE PLACE THIS EVENING

The ceremony will occur late this evening in the Galt home and only the members of the two families will be present.

## WHITE HOUSE WEDDINGS

#### MR. WILSON THE THIRD PRESIDENT TO BE MARRIED DURING HIS TERM OF OFFICE

(Associated Press)

Washington, Dec. 18.—Woodrow Wilson is the third president to be married during his term of office. President Tyler was the first, and President Cleveland was the other. Mr. Tyler, like Mr. Wilson, was left a widower during his term. Two years later, in 1844, in New York city, he was married to Miss Julia Gardiner, who then presided at the White House functions during the last year of her husband's term of office.

Grover Cleveland's marriage to Miss Francis Folsom took place in the Blue Room of the executive mansion. It was comparatively a private affair, for the invited guests included only the cabinet members, their wives and a few friends and relatives of the couple.

President Wilson's wedding is the third in his family since he took office. The first White House wedding of his term was that of his second daughter, Jessie Woodrow Wilson to Francis Bowes Sayre, and the other was that of his youngest daughter, Eleanor, to Secretary McAdoo. The president now has two grandchildren, the little son of the Sayres and the baby daughter of the McAdoos.

The president and his bride both are Virginians by birth. He was born at Staunton 59 years ago this month, and she was born at Wytheville, the daughter of Judge and Mrs. William H. Bolling, and was one child in a large family. Two sisters, Mrs. Alexander H. Galt and Miss Bertha Bolling, and three brothers, John Randolph, Richard Wilmer and Julian B. Bolling live in Washington. Rolfe E. Bolling, another brother, is manager of the Commercial bank at Panama, and another, Dr. William E. Bolling, lives in Louisville, Ky. A third sister, Mrs. M. H. Maury, lives in Anniston, Alabama. The bride's family has been prominent in the history of Virginia, and she herself is a descendant of Pocahontas, the Indian chief's daughter who married John Smith.

Since 1896, Mrs. Galt has lived in Washington, belonging to none of the been accredited with now being the

## ANOTHER AMERICAN NOTE TO AUSTRIA

### POLITENESS BETWEEN THE TWO NATIONS STRAINED TO THE BREAKING POINT

(Associated Press)

Washington, Dec. 18.—The president has begun work on a second note to Austria on the sinking of the Ancona. The friendly relations between the United States and Austria, it is stated authoritatively, are nearing the breaking point and their continuance depends entirely upon the reply Austria will be asked to make immediately.

#### ALTERNATIVES WILL BE INDICATED

While officials did not use the word "ultimatum," in discussing the note, it is understood the communication will set forth the alternatives which will follow if Austria's reply is not satisfactory.

#### AUSTRIA'S ANSWER

The official text of Austria's Ancona note was made public today. It shows that Austria denied the view presented by the United States. Even if correct in warranting the blame being placed on the submarine commander, the note denies the blame can be placed on the Austro-Hungarian government, and says that government is unable to understand what the United States intended to indicate when it mentioned the attitude Germany had assumed toward submarine warfare. Aside from these points the note is the same as told in unofficial cables previously.

### Attitude of Greece is Suspicious to the Allies

#### IMPORTANT DIVERSION EXPECTED FROM LANDING OF ITALIANS IN ALBANIA

Allied troops which are reported to number 200,000, are fortifying themselves about Saloniki, digging trenches and placing guns. It is reported the Germans are preparing to advance into Greek territory to attack them. Whether the Bulgarians will cross the border is a vital question with the Greeks.
